

Bluestone Business Park

A Sustainable Re-development

Bluestone Industrial Park is extremely well located at the I-90/Rt. 2 interchange at E. 260th Street in the pro-business community of Euclid, Ohio. It is served by two (2) major rail lines (CSX and Norfolk Southern). The park is located within a Community Reinvestment Area (CRA), which will provide 100% real estate tax abatement on improvements for 15 years. Developed sites up to 80 acres are available.

“Fogg took the time to really understand what we were trying to accomplish. That made a big difference to us and to the success of our project.”

- **Andrews Moving and Storage**

“I have worked with various property managers finding corporate expansion facilities for the last twenty-five years in five different states and by far Ray Fogg Corporate Properties management services has the smoothest operations and the nicest people to work with.”
